

Corporate Ownership and Control coverage in Elsevier product(s)

Dear Madam/Sir,

Elsevier is happy to inform you that the above-mentioned title has been accepted in **May 2013** for coverage in **Scopus** starting from **2003**. We intend to index and extract data from the full text article and integrate such data in these product(s). Note that we never make the full text available to our customers or other third parties, although we require access to the full text for purposes of indexing and extraction.

Coverage in Elsevier product(s) increases dissemination of authors' work via linking technologies which drive additional traffic to individual articles, promoting journal brand awareness, subscription, and pay-per-view sales. In short, the benefits are high visibility to a global audience, fast online dissemination of content and increased exposure and profile for authors, editors and your publishing organization.

We look forward to for your cooperation.

Yours sincerely,

Monique Berkhof
